AUTISM ACCEPTANCE & AWARENESS MONTH 2025

Celebrate Differences

April is dedicated to actively building understanding, promoting inclusion, and creating supportive environments for our autistic community. People with autism often face discrimination, based on the belief of them needing to be “fixed” as opposed to being accepted and celebrated.

Celebrating Differences encourages us to recognize and appreciate the unique perspectives and strengths autism brings.

TAKE TIME THIS MONTH TO LEARN MORE ABOUT AUTISM WITH A MOVIE OR BOOK:
